

The Bare Facts Chenin Blanc 2015

This pale straw-coloured Chenin Blanc is a dry, fruit driven wine. The palate boasts lively tropical fruit, crisp citrus and subtle honey flavours which linger onto a fresh, creamy finish. The balanced acid and zesty fruit make this Chenin Blanc an excellent aperitif but also a wine that will gloriously complement salads and lighter styled dishes. Enjoy now or within the next two years.

Analysis: Alc. 13.0%, RS 4.9g/l, pH 3.38, TA 5.9g/l

The Bare Facts Merlot 2013

This fruit driven wine has been matured in oak barrels for 14 months. The palate boasts juicy ripe plums, red and black currants with a hint of smokiness lingering. Soft, subtle tannins make this wine slightly more accessible and a pleasure to enjoy everyday, whether it be on its own or with meat orientated dishes. This wine is best enjoyed now but is able to mature for another 5 years under correct cellaring conditions.

Analysis: Alc. 14.5%, RS 2.2g/l, pH 3.64, TA 5.9g/l

Unlabelled Cabernet Sauvignon 2014

A Full-bodied red wine, matured for 18 months in small French oak barrels. Vibrant ripe dark-berry flavours, together with a subtle spiciness, pencil shavings, leathery mocha and tobacco hinting on the lingering finish, give this wine stunning complexity and balance the soft, silky tannins. This well structured wine has the potential to age excellently for another 5 years, if cellared correctly, but is also amazingly accessible now. It will compliment any fine food and will be equally enjoyable on its own.

Analysis: Alc. 14.3%, RS 2.1g/l, pH 3.6, TA 5.2g/l

2015 CK Altruista

This limited release, barrel fermented, Sauvignon Blanc beautifully infuses melon marmalade and light marzipan flavours with zesty citrus, vivacious tropical fruit and crisp capsicum. The fresh acid and smooth, creamy-oak mouthfeel make for a wonderfully balanced and rich wine for any occasion. After spending 4 months in new, small French Oak barrels and light batonnage being applied weekly, this Sauvignon Blanc has excellent structure and will mature gracefully for another 3 years.

Analysis: Alc. 14.0%, RS 3.2/l, pH 3.31, TA 6.2g/l

2013 CK Sincera

This limited release, handcrafted wine was produced from a selection of the finest small oak barrels. The opulent, juicy flavours, of dark currants, and fruitcake, layered with earthy spice and roasted coffee beans which then linger onto a subtle, smoky, cigar box finish. With 24 months of oak maturation complementing the intense fruit, this premium wine has superb structure, firm but rounded tannins and well balanced acid, making it wonderfully accessible yet allowing it to mature gracefully for the next 10 years.

Analysis: Alc. 14.4%, RS 1.9g/l, pH 3.53, TA 5.8g/l

2013 CK Integra

This Classic Blend, of 80% Cabernet Sauvignon and 20% Cabernet Franc, is made from a selection of the 6 finest small oak barrels. Only 2400 bottles of this limited release, handcrafted wine were produced. Intense flavours of black cherry and red currant, together with fruitcake and ripe plum, enveloped with earthy spice, pencil shavings and mocha, then linger onto a subtle, smoky, cigar box finish. With 24 months of careful oak maturation, this ultra-premium wine has excellent structure and grippy yet integrated tannins. This wine will continue improving for the next 10 years.

Analysis: Alc. 14.6%, RS 2.3g/l, pH 3.6, TA 5.7g/l

2013 CK Eccentrica MCC

Only 1200 bottles of this maiden, ultra premium, Vintage Methode Cap Classique, were crafted from the finest hand-selected Pinot Noir grapes. After secondary fermentation in the bottle, this limited release Brut MCC spent another 24 months maturing on the lees. Vibrant berry and slight honey aromas compliment the zesty citrus and freshly baked biscuit palate. With a balanced yet crisp acid, fresh fruit and the vivacious effervescence, this MCC encourages a reason to celebrate.

Analysis: Alc. 11.6%, RS 1.58g/l, pH 3.2, TA 6.0g/l
